### SNFS Policies Agreement

**Welcome & Background:** Welcome! We are delighted that you/your child(ren) are enrolled in Singing Nettle Forest Stewards (SNFS) learning programs! We offer a wide array of learning, skill development, support and nurturing programs focused on the outdoors, wild and natural plant/animal identification, uses and abundance, language, sounds and communications, music and musical instruments and hands-on experiences for your homeschooled, online, at-home student!

Singing Nettle Forest Stewards, also referred to as SNFS, is organized as a not for profit (non-profit) organization and was granted tax-exempt status (July 2024). A copy of its current tax-exempt status letter from the US Treasury/IRS is posted on its website at <https://singingnettle.org>, and at its learning site located at 6922 – 55<sup>th</sup> St North, Suite C, Oakdale MN 55128. The business address is registered with the MN Secretary of State office, and is also available upon request by US mail addressed to its business address or by email to:

[thistlebearhoneyherbsllc@gmail.com](mailto:thistlebearhoneyherbsllc@gmail.com). Singing Nettle Forest Stewards is also registered as a Minnesota nonprofit corporation with the Minnesota Secretary of State offices; you can view its registration status online at the Minnesota Secretary of State's website tool for business look up/search. SNFS' program director is Christine Shoemaker. SNFS learning guides are Christine Shoemaker ("Mrs Christine" for students, also known as "stewards") and Debra Shoemaker ("Mrs. Debra" for students and stewards). SNFS also arranges for guest speakers/guides, mentors, and volunteers, from time to time, to assist with learning programs and activities and enhance learning opportunities for stewards. Mrs Christine is a certified Forest School Director and Teacher through the Forest School Teacher Institute, certified as a Forest Therapy guide, certified in Wilderness First Aid/Survival/CPR/AED, is a certified mushroom forager in MN and WI, and also is a local private music teacher in piano, flute, and voice technique and music theory. Mrs Christine brings her years of training, skills, talents, and experiences to offer to your child(ren) and their fellow stewards a unique, hands-on and individual experience that is uncommon in traditional classroom and home learning settings. More detail about SNFS curriculum and learning programs is available from SNFS director and learning guides. More detail about SNFS is also available on its website listed above. SNFS, its directors, and learning guides strive to bring unique learning opportunities and experiences to your child(ren) and fellow stewards in smaller group settings than offered through traditional learning settings. **To allow this to occur, SNFS needs each enrolled child(ren)'s parent and guardian to agree and commit to upholding and following the policies of SNFS, by initialing each policy statement below and signing this SNFS Policies Agreement.**
